Reg. No. 19901

OFFICIAL

RESPONSE TO RESTRICTION AND ELECTION

Dear Sir:

In response to the Action dated, December 1, 2003, applicants elect without traverse for further prosecution the stator structure of claims 1-12.

In response to the election of species requirement, applicants elect without traverse for further prosecution the species of FIGS. 31-35. Claims 1-12 all read on this species. In this latter regard, the Examiner's attention is directed to the fact that the remaining embodiments were disclosed and claimed in applicants' parent application that has now issued as US Patent 6,590,310 on July 8, 2003.

An action on the merits is most respectfully requested.

Respectfully submitted:

Ernest A. Beutler
